

The school district boundaries displayed on this map were created as a result of a boundary review conducted prior to the 2000 and April 2004. The Michigan Department of Education (MDE), the Michigan Center for Geographic Information (MCGI), and the U.S. Census Bureau, in cooperation with each school district and intermediate school district (ISD) in Michigan, participated in the design. Boundaries shown by the districts were voluntary and all the school districts had opted into the map. Not shown on the map.

Information provided is accurate to the best of our knowledge and is subject to change as a regular basis. School districts, while CCI makes every effort to provide timely and accurate information, we do not warrant the information to be authoritative, complete, correct, or timely. CCI will welcome the opportunity to incorporate authorized boundary changes into our map information when received.
